BIKE RENTAL RENTAL AGREEMENT AND POLICIES

I hereby acknowledge and agree to the following rental agreement terms and conditions

Bicycles are rented out clean and in proper working condition and must be returned in the same manner. The bikes are maintained on a daily basis. It is the responsibility of the client to check the bike at the store before setting out on any ride. The client agrees to return the bike in clean, undamaged condition to avoid any additional charges for repair or cleaning. The client accepts use of the equipment as is, in good condition and accepts full responsibility for careful use.

Damaged parts or components will be repaired at the shop's discretion and customer agrees to pay regular shop rates and retail prices for components replaced. Clean condition means normal wear and tear is accepted but does not include broken spokes, rims, bent rims, damaged frames, handlebars, seats or other parts from misuse and/or crashes.

All bikes should be returned clean of mud and debris. Any bike not returned clean will be assessed Czk 100.

The customer agrees to reimburse Transphere s.r.o. for the price of the bicycle(s) in case of theft, loss or complete damage, plus the cost of accessories provided at the time of the bike rental.

- The customer has checked function and condition of the bicycle during a test ride and declares that it was rented out in good working condition (breaks, gear shifting, rims, air pressure).
- The customer is a regular cyclist and can fix minor technical issues (like flats) or agrees to reach out for help at a repair shop during the rental period.
- The customer releases and discharges Transphere s.r.o. from any liability or claims for injury, illness, death or loss of or damage to property which they may suffer while renting the bicycle.
- Transphere s.r.o. staff have answered any questions the customer has had.
